

# DR. HUSSAM SHABAN

Dr. Hussam Shaban is world renowned for his unique perspective on quality orthodontic treatment results and clinical efficiency.

Dr. Hussam graduated with a bachelor degree in dentistry and a PHD in clinical Orthodontics from University of Marmara Istanbul - Turkey. Dr. Hussam has been in practice as an orthodontist for over a decade, helping to create healthy, confident smiles using many orthodontic systems (edge wise , straight wire , functional , lingual , removable , miniscrew , and surgical cases).

He is inspired by his patients to do his job better every day and continually learns new methods of treatment to improve the care he gives. Dr. Hussam enjoys using his knowledge of science and engineering to make a positive difference in the lives of his patients.

Dr. Hussam is a member of the world federation of orthodontics. Every day, he gets to see the results of his work, and he gets satisfaction both in the straight, healthy smiles he creates as well as the pride and happiness of his patients.
